NOVELTY IDS 2021 TRICOLOR WAX-BLANK

new way in diagnostic and aesthetic

ZTM Rudolf Reil, Naburg

Order no. DR 000 999 HD 830-20

Advantages for laboratory and dentists:

- Fitting of esthetic wax-ups in the patient's mouth
- consultation between dentist and laboratory
- inexpensive fast processing
- very good processing for shape changes during patient consultation
- quick subtractive and additive changes can be implemented immediately
- can be used for press ceramics
- Multifunctional esthetic wax for multiple indications, brilliant in processing
